

# Tereza Korez

Veterinarska ambulanta  
PP d.o.o.,  
Slovenia

Tereza Korez graduated from the Faculty of Veterinary Medicine in Ljubljana in 2016. She was subsequently employed in a veterinary clinic for large and small animals, where she worked in the field and in the clinic, and after maternity leave, she got a job in a wholesale company with products for small animals. In 2020, she joined the veterinary clinic of Perutnina Ptuj, where she worked in the field of health care of poultry (broilers, breeding flocks, and turkeys). In September 2021, she took over the position of Director of the PP veterinary clinic.
